Dear Mr. Rodecker,

It is my great pleasure to congratulate you for having achieved the honor of being named to the Dean's List for Spring semester 93. It is an honor of which you should be very proud.

Your being named to the Dean's list demonstrates a great commitment to the academic side of your life as a student at Northern Arizona University. As Dean of the College of Creative and Communication Arts, I am proud of each and every individual who has shown such commitment to his/her program of study. We feel we have established high standards for performance within the College and you have met those standards. This honor also indicated that you have, as well, met the standards in coursework outside our college.

Your success is our success. I congratulate you. I wish you the very best in your future academic pursuits and I hope to see your name appear on the Dean's List in future semesters.

Sincerely,

José D. Colehado
Dean
